QUEENSLANDER - LIGHT AND BRIGHT

In the heart of Billinudgel, you'll find a beautiful high set and generously proportion Queensland-style home with an open-plan living and dining area. The home has lovely polished wooden floors throughout and has been freshly painted. With uninterrupted air-flow this home is light and bright and full of character and charm. A covered verandah joins a second living/media room and the 3rd bedroom. This covered middle balcony has ample space for a day bed or is a perfect location for an outdoor dining/BBQ area. If you enjoy cooking you will love the well equipped and updated kitchen that has timber bench tops, a corner pantry with loads of storage, a microwave and a 900ml wide SMEG gas oven and cooktop. The master bedroom has timber-lined walls and a dressing room/walk-in robe. The home office could be used as a 4th bedroom. The modern bathroom has a shower, timber vanity and a separate toilet. There is a well-sized internal laundry upstairs with extra storage and also 2 other linen/storage cupboards in the hallway. Two large sunlit louvered and private front verandas run across the apartment facing the street that allows for privacy, filtered light and airflow. There is a free standing fireplace in the main living area that warms the home in the cooler months. Downstairs there is covered and uncovered parking, a shared lockable storage room, clothesline and a lovely veggie garden area with a working space ready to go.
