Golf Course Delight

This golf course property is the best all-round package on the Ocean Shores championship golf course. It is an awesome lakeside location with glorious northeast views across the lush fairways and greens. There is direct access to the course with an easy run-up to the clubhouse facilities, pool, restaurant and bowling greens.

The property is tucked away in a very quiet cul de sac where privacy, peace and quiet are assured. The spacious home was designed to take full advantage of the location and views with doors leading out onto its large, covered entertaining area.

Inside the home, the living and entertaining areas are abundant. Who wouldn't want to have friends and family over when gatherings can spill out from the house to the deck and onto a beautiful lush lakeside lawn? The house features parquetry timber floors, a granite kitchen, plenty of light and cool breezes off the lake. The master bedroom has a large ensuite and robe plus access to the deck and a beautiful outlook. There is also a sparkling in-ground pool, complete with a covered cabana!

Solar power will help to keep the bills down, and there's a double garage with internal access to the property.

This really is a rare chance, even if you're not a golfer. This type of outlook and location is near impossible to secure, you must be at the right place at the right time. It's now.
