Don't Rent, Buy.

This is a fantastic opportunity to enter the market. They say timing is everything and it feels like there's no better time than now to secure a solid investment with great long-term prospects in a market which is fundamentally undersupplied.

An ideal foot in the door for first home buyers, this entry level 3rd floor apartment is in a great location just a few hundred metres from local shopping including Kmart and a large Coles supermarket. The proportions are generous and for those looking to add their own style, there's lots of value you can add. Currently empty and ready for new owners or tenants.
