Unit 1, 10 Park Street Brunswick Heads

Located in the heart of the village is this stunning three-bedroom apartment. Unique in every way, this really would be a special place to call home. With high, pressed metal ceilings, doors and windows from Argentina, reclaimed and restored features from every corner of the world have been lovingly selected and chosen for functionality and decoration.

The living, dining and kitchen areas are open-plan, with timber floorboards and large windows filling the space with light. A wide, tiled veranda is accessed through double French doors. Beautiful fabrics have been used for the curtains and blinds, chandeliers adorn the ceilings, even part of the kitchen cabinetry has been repurposed from a shop counter. Timber shutters on the exterior echo European design and practicality, bringing both privacy and block out. A formal lounge room leads from the main living area and also has French doors out on the balcony, plus a gas fireplace heats the space in the cooler winter months.

The master bedroom is complete with an amazing walk in robe and ensuite bathroom. A claw foot bath is the show stopper in the ensuite, with a separate shower and vanity. French doors lead out to the shutter-enclosed balcony at the rear of the apartment. The second bedroom has built-in wardrobe storage, this and the third bedroom both have high ceilings, timber floors, air conditioning and also access to the rear balcony. In the main bathroom is a shower and European-style laundry with storage.

On your doorstep are the cafes, bakery, boutiques and shops. The river, beach and iconic Hotel Brunswick are seconds walk away.
