Modern Home with Versatile floor plan

4 bedrooms 2 bathrooms 3 car spaces 2,364 m²

UNDER CONTRACT

This property was not effected in the 2022 weather event

This spacious, architecturally designed family home nestles on more than half an acre 2,364m² with 100m of Chinbible Creek frontage just a short stroll from town centre.

Built in 2007, this quality 256m² under roof home offers high ceilings throughout, two separate living spaces, four generous bedrooms and two spacious bathrooms. The dramatic cathedral ceilings and geometric angles in the living areas, along with north facing windows flood interiors with abundant natural light creating bright airy spaces throughout the day while maintaining privacy.

The home is well designed to take full advantage of its serene surroundings, with a huge main living space complete with fireplace that flows onto an expansive private deck to the rear and offers privacy with picturesque views over the green creek reserve. The property has been designed for inter-generational living with the home divided into two separate living spaces complete with DA for a granny flat.

Perfect for families, the property features a converted shipping container swimming pool, and the sprawling gardens allow plenty of space for kids to play safely.
