8 Jubilee Avenue, Mullumbimby

"Govinda"

The former home of Dr Leighton Kesteven, the Brunswick Valleys first doctor. Built for him in 1906, this property oozes the charm and character of the era and remains one of Mullumbimbys most significant and historical homes.

Two gorgeous fireplaces, original lining boards, hardwood timber floors and 11ft ceilings are original features bound to make you fall in love with it, and fall in love you will.

Situated in the historical heart of Mullumbimby in a precinct of historical homes, the sizable allotment has 2 street frontages and is only a short walk to just about everything.

A council approved and architect designed Granny Flat, completely separate from the house, has been added to the back of the property. It provides a handsome rental return but could suit any number of purposes for future owners.

Govinda is an absolutely charming snapshot of its time and this is your exceptional opportunity to grasp. Inspections will be a pleasure.
