## Funky 1950's Weatherboard

Relax retro style on the north facing patio and take in the views of Mt Chincogan. Brilliant original features a-plenty throughout such as high ceilings, moulded plaster cornice, polished timber floors, original fireplace and cast iron balustrading. The bathrooms have been stylishly renovated, the second combined with an internal laundry. The original kitchen has a breakfast bar with natural light filtering in through glass doors that overlook the leafy back yard. There's a huge covered outdoor area at the back which leads to a fully lined and insulated shed with its own garden entrance and outlook. The property is fully fenced to keep the kids and pets where you want them. Positioned within walking distance of the local farmer's market, schools and shops, and a ten minute drive to the local beach, we think you'll love this character filled home.
